

Thank You & Happy Holidays!

Thanks to your support, TCF and I have had a great year! **TCF has had more homes sold this year than last with only a 2% decline in the average sales price.** That's better by far than most other neighborhoods. And, I am blessed to be counted among the most successful agents with more sales and income for 2008 than 2007.

In 2008, I've sold more homes in TCF than any other agent. And Results has sold more than any other broker. We know TCF and southeast Forsyth!

Thank you for your confidence and your business. I look forward to serving you in the coming year.
